

**2025**

# **Scheme for implementation of Biofuel Projects in Madhya Pradesh 2025**

**KNOWLEDGE SERIES**

**[www.bizastra.com](http://www.bizastra.com)**

## Greetings from Bizastra!

This edition focuses on the **Scheme for implementation of Biofuel Projects in Madhya Pradesh**

Positioning the state as a **Biofuel Projects for use** in the following sectors :

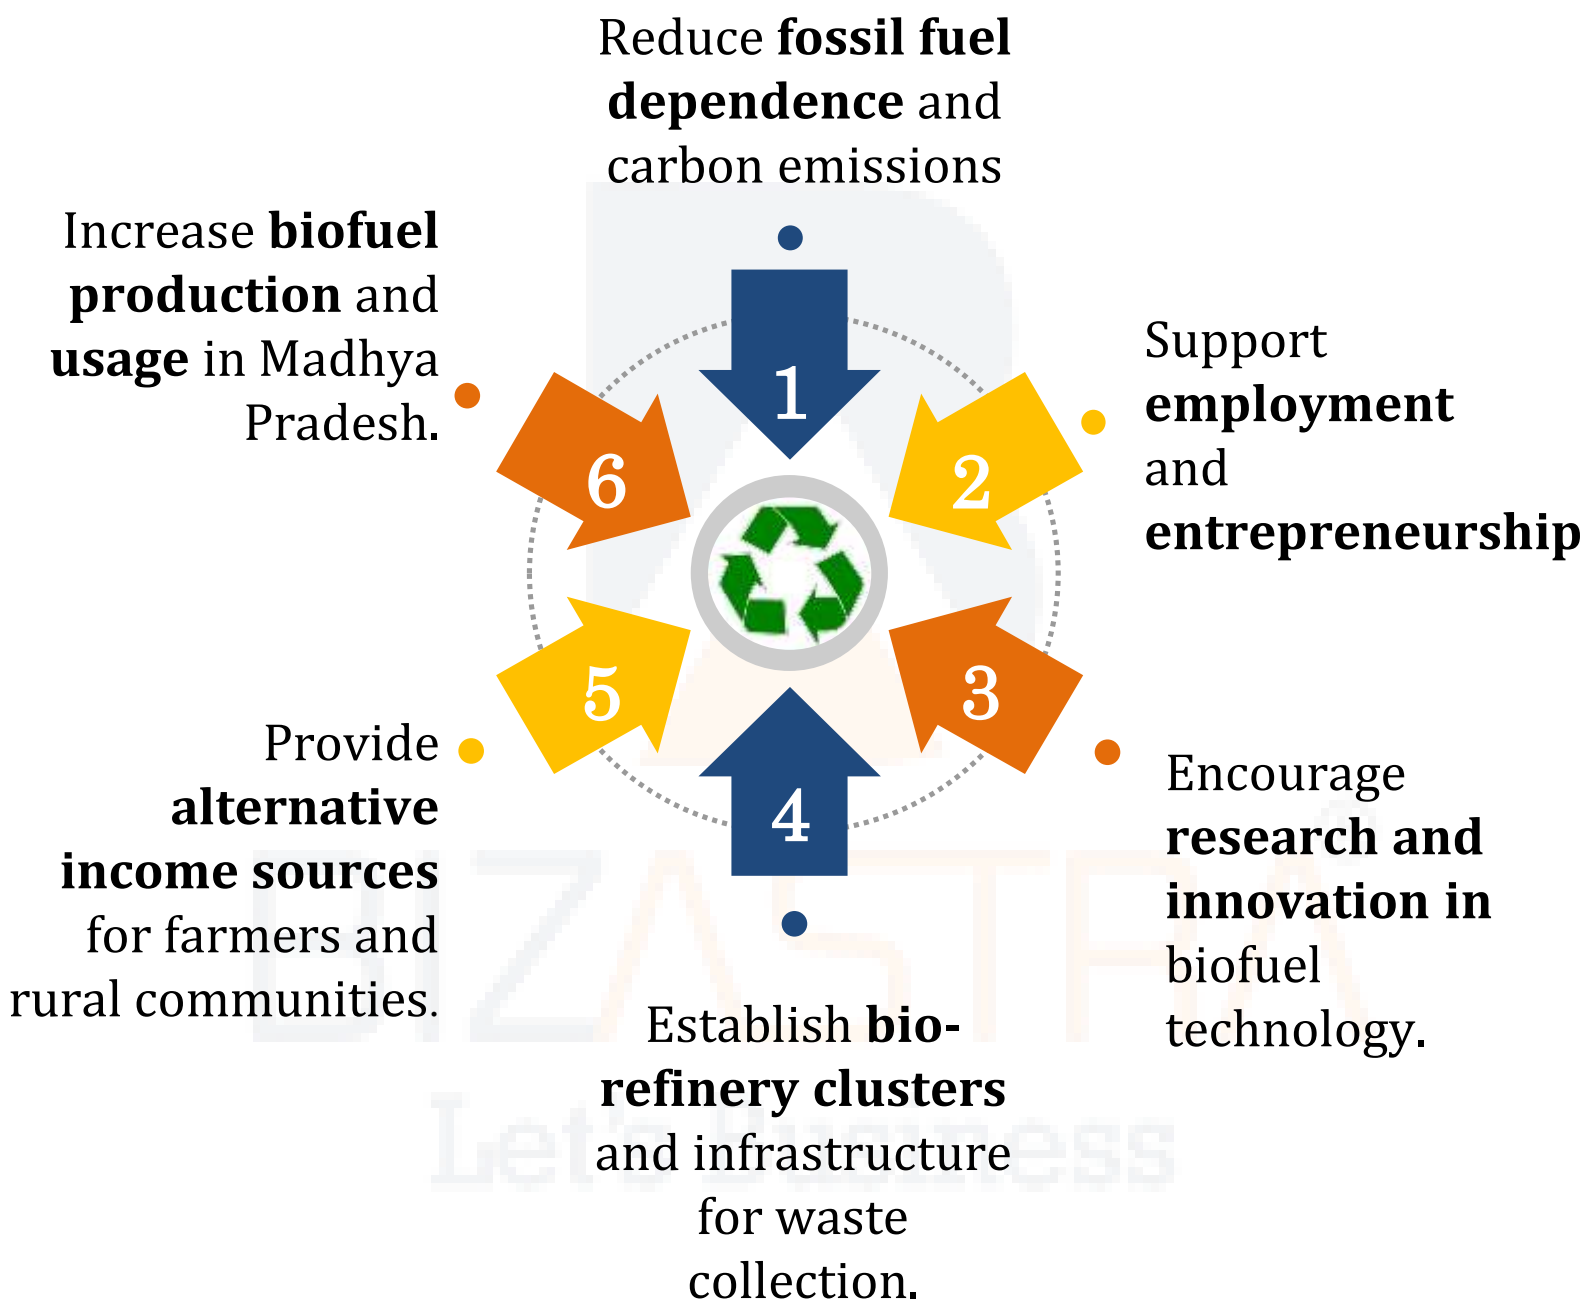

- Transportation Sector
- Power Generation
- Industrial Sector
- Household and Commercial Use
- Agriculture and Rural Development

# 1. Introduction :

## 1. Introduction

- The scheme is for the implementation of Biofuel Projects under the **Madhya Pradesh Renewable Energy Policy – 2025**.
- Aims to promote the implementation and development of **biofuel projects** in the state.
- Focuses on utilizing renewable energy resources to create a sustainable energy ecosystem.

## 2.Objective :

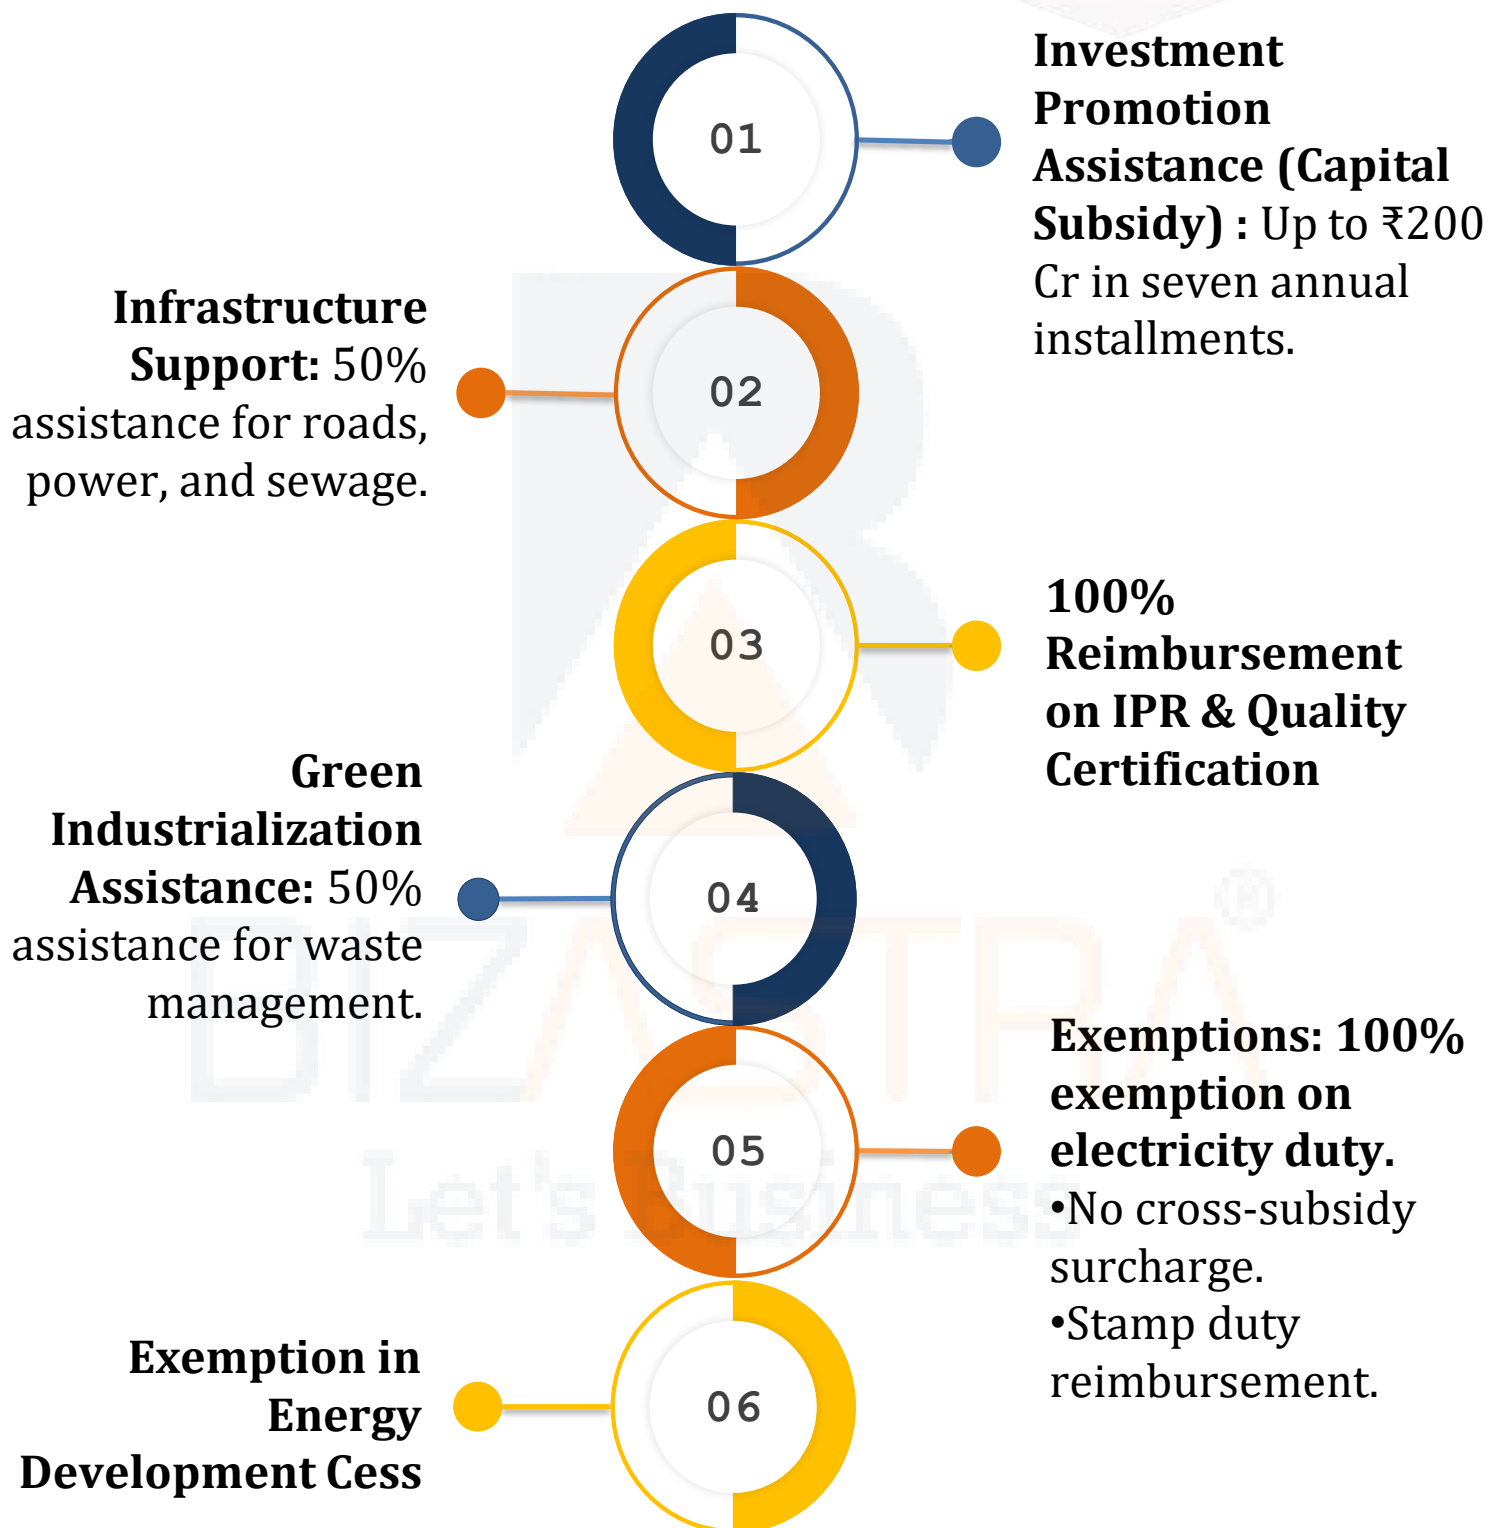

### 3. Types of Biofuel :

**Definition:** Biofuels are the fuels produced from renewable resources.

- 1 Briquettes and Pellets
- 2 Syngas (Synthesis Gas)
- 3 Bio-CNG (Compressed Biogas)
- 4 Biodiesel
- 5 Biomass-based cogeneration
- 6 Drop-in fuels (Liquid fuels made from waste)
- 7 Electricity and steam from bio-resources

# 4. Incentive :

## 5. CCIP Customized Package :

Mega Industrial Units With an investment of more than **Rs.500 Cr.** Shall be eligible to avail customized package under CCIP.
